

The American Youth Soccer Organization is a non-profit organization of over 650,000 players nationwide founded in 1964 run by volunteers. Our objective is to give children a safe environment in which to enjoy the sport of soccer.

Region 805 was started in 1991. Today we are providing an opportunity for over 500 children on 60 teams to play soccer in the Homestead and Florida City communities. This includes our Very Important Players Program (VIP) which enables mentally and physically challenged children to play soccer - only three programs in the state.

We are asking local organizations and businesses to help us by sponsoring teams, players, and/or programs i.e., VIP. Your money is used to purchase equipment, uniforms, awards/trophies, balls, field maintenance, volunteer training, postage, etc.

Your tax deductible sponsorship is important to our program and fosters a stronger feeling of community involvement in our teams and parents.

We sincerely hope you will consider donating to our program. I look forward to your continued support of AYSO and hope to see you at our opening ceremonies Sep. 9, 2011 at 7:00 p.m. at the Homestead Sports Complex.
